

# Catonsville's PREMIUM LAWN CARE & LANDSCAPING SERVICE!

"Dakota's crew is very professional and customer service oriented. I've been extremely happy with their services. We've used them for several projects, from the removal of a large fallen tree to the clean-up of a weeded area, to mulching. I'd recommend and plan to use them in the future!" — Chris F.

"Dakota and his crew mates were great. Very friendly, professional, and worked well with me—and that's what I needed to have done. I have a hill that desperately needed aeration and that's not easy. They got it done and did a great job. I'll be using them again!" — E. D. P.

"Dakota and his crew of hard-working and knowledgeable guys transformed my front yard project into an amazing site. The collaboration between Dakota and myself was spot on, with the final look and design exactly as I envisioned it. I highly recommend Core Aeration for your next project." — Dan L.
